Chapter One

The city lay along the river and the bridges [1] connected both banks.

A second line carries a bracket marker[2] here.

---

1. First note about the river crossing.
It was built in 1884.

2. Second note: see the atlas, p. 12.

The translator assembled these notes after the manuscript.

Notes

1. Translator’s note on terminology.
2. See the atlas, p. 12.
